CHURCHWARDEN'S REPORT.

Easter, 1903.

To the Vestry :

Another year has passed away, and it again becomes our duty as Wardens to make our Report as to the finances of the Parish.

We are pleased to be able to state that we find ourselves in a somewhat better position than at the close of the last Church year. We commenced the year with a balance at the credit of general purpose account of $10.74, this year we bring down a credit balance to that account of $563.20, this being largely due to a marked increase in the offertory, following an appeal made by the Rector in the early part of the year for an increase of 10 per cent by every member of the congregation.

This showing is particularly gratifying in that it is a legitimate balance, it not having been necessary this year to

follow the usual practice of seeking additional subscription from a few liberally disposed members of the congregation to make up the Easter shortage.

There has been an expenditure this year of $46.87 for placing the railing round the Church in a more tidy condition ; the wooden tops of the posts which had become sadly disfigured have been removed and replaced by iron caps, and the whole repainted, which has done much to improve the appearance of the exterior of the Church.

This brings us to the question of doing something towards renovating the interior, a subject which was discussed at the last meeting of the Vestry. We have had estimates prepared, which will be submitted during the evening.

There is a fund on hand towards this object, as follows :

Proceeds of Children's Concert last year	$65 13
Private Subscriptions	16 00
Proceeds of Choir Concert this year	55 75
Bank Interest	1 92
Making a total of	$138 80

We hope that this matter will be brought forward during the evening and something definite decided upon.

You will see by the Statement furnished that nothing beyond the necessary taxes and rates has been spent on "The Canon Scadding House" this year. The lease under which it was rented at $30.00 per month expired on the 30th of September last, and the house remained unoccupied until the 15th of last month, when a tenant was procured who has leased it for one year at $20.00 per month, this being the best rent obtainable under the circumstances.

We have again to thank the Rector, Mr. Brain, and the Officers and member of the congregation for their helpful sympathy and consideration. The Choir and Organist, for the time, trouble and (in Mr. Blackburn's case) expense to which they have gone in making the musical part of our services so attractive and enjoyable.

The Church has been decorated at the usual festivals during the year, the outlay for the Christmas decorations being practically covered by the amount contributed for that purpose. At the Anniversary Service the Brass Memorial erected to the memory of the late Dr. Scadding was unveiled.

In conclusion we wish especially to thank one and all connected with the Church for the very satisfactory balance they have enabled us to show at this Easter time, and sincerely trust that our efforts in administrating the funds of the Parish will be found satisfactory to the Vestry.

The school total has increased somewhat from last year, especially in the number of boys. The total is now about 365. Girls, 120; Boys, 72; Infants, 132; Officers and Teachers, 43. Total, 367. Average attendance, about 250.

I regret the loss of Dr. Bert Sherratt and Mr. Sherratt, through illness; Mr. Munro, Mr. Mara, Miss Elanyher, Miss Tailby, Miss Holmstead. In the Infant Department, Miss Morgan and Mrs. Conway, have been obliged to leave us. We have gained the following: Miss Allan, B.A., Miss Osborne, Miss McClymant, Miss Hiscocks and Miss Robillard.

I wish to thank Mr. S. S. Wood, Miss Brentwell, Miss Warner, Miss F. Thompson, Mrs. Fisher, Miss Gregory-Allan, Mr. Hamlim and Membusy, Miss Hutty's and Mr. Agar's classes for help during the year.

The Quarterly Services in the church have been continued.

A Teachers' Bible Class has been commenced and meets regularly on Friday evenings at 8 o'clock.

For the first time a number from this school presented themselves for the Inter-Diocesan S. S. Examination, held each year in Advent. Of the teachers Miss Gwatkin obtained Second Class Honors, with almost 60% of total marks, and was awarded Second Prize from the Deanery of Toronto, Among the pupils, Georgia Baker obtained First Class Honors, with 73%. Myrtle Smith, Second Class Honors,

with 54%. I confidently expect a number of candidates for the coming examination at Advent, and hope to be able to report a larger number of successes for next year.

The S. S. Picnic last year gave us a balance of $15, after all expenses had been paid. The winter treat took the form of an entertainment rather than the accustomed tea and was very successful.

Our thanks are due Mr. J. S Simmons, Florist, for a beautiful flag for the school; Miss Joseph for her good work in hunting up absent pupils.

Miss McAuley, of the Infant school, wishes to thank friends who donated toys and money for missionary purposes and for the Christmas treat decorations.

Examined and found correct,

THE CHANCEL GUILD.

The object of this Guild is to keep the chancel in order. As the membership for the past year has been insufficient for the work, the secretary would be pleased to hear of any ladies who would be willing to help in this necessary branch of church work.

F. TURQUAND,
Secretary.

BOYS' GUILD.

The Boys' Guild that was commenced one year ago has had a most successful season. Thanks to Messrs. Hessian and Stewart, the efforts to provide entertainment and gain some control of the boys has been extended, and the Thursday evening meetings are well attended. But the greatest success has been in the Carving Class, Miss Roberts, of St. Margaret's Church, very generously gave two months instruction to the class, and to her our most grateful thanks are due. Since then Miss McAuley, Miss Hill and Mr. Fisher have taken charge of this branch of the work, and the boys are taught something of carving articles both useful and ornamental. As the services of these persons are all voluntary, we feel deeply grateful to them for their efforts.

W. J. BRAIN,
Warden.

THE YOUNG PEOPLE'S GUILD.

Is a Society that gives to all the members of the Church and their friends the opportunity of associating and becoming acquainted, one with the other, binding them and drawing them together in a lasting friendship and thereby building and cementing the foundation for our present and future congregations.

The officers of the Guild for the season of 1902-3 were as follows :

Patron, The Rt. Rev. The Lord Bishop of Toronto.

Officers.

Rev. John Pearson, D.C.L. ..... *Hon. President.*
Mr. T. W. Barber. ..... *Past President.*
Rev. W. J. Brain, M.A. ..... *Warden.*

Miss C. Locke ..... *Secretary.*
Miss Allingham. ..... *Assistant Secretary.*

Miss Staneland ..... *Pianiste.*

Committee.

Miss I. Anderson, Miss M. Locke, Miss C. Smith, Miss J. Locke, Mrs. Davis, Mrs. Mountstephen, Mrs. McNaught, Mr. C. J. Agar.

Throughout the season an excellent and varied programme was given, including a Mock Parliament with All Saints Literary Society, at which Holy Trinity were declared victors.

During the season the Guild were invited by the young people of St. John's Church, (Portland St.) and also by the young people of St. John's Church, (Norway), to their school house's, at each of the above places a very pleasant evening was spent.

Later in the season the Guild were invited by All Saints Literary Society, to take part in a debate with them in their School House, in which Holy Trinity were again victors.

Two very successful concerts were also given during the season, at each of which very excellent programmes were provided and were much appreciated by the large audiences on both occasions. The proceeds of the second concert were given to the fund for the redecoration of the church. During the season of Lent, some splendid papers were given by different members of the Guild and four excellent addresses were given by different clergymen.

It is with pleasure we are enabled to state that, the large regular attendance of the members at each and every one of the meetings, and the hearty co-operation with which all took part mark the past season as an extremely successful one. The thanks of the Guild are hereby tendered to all those both within and outside the parish for their valuable and much appreciated help, in making the past season such a splendid success.

C. LOCKE, *Secretary.*

J. C. DODDS. *President.*

GIRLS' FRIENDLY SOCIETY.

One Branch has done good work this year as there is an increase in the membership, there is also a candidates branch, a large one, under the direction of Mrs. S. G. Wood. Miss Florence Densem, for many years a member has during the last year been made an associate. We together with Miss Gullison and Miss Gertrude Thompson carry on the work of this Branch. An outfit for a little girl was made and sent to Rev. Mr. Butterworth in the North-West, also the usual work for the infants Christmas tree in our own Parish. Garments are now being made for the Nursing-at-Home Mission on Hayter Street. We are grateful to Mr. Brain for giving us a Bible lesson once a month. Work is continued until the middle of June.

BIBLE CLASS.

This Class continued the study of the series of lessons as set forth in my last report.

The Class is now composed of young men and it is the intention to hold the meetings on Sunday mornings at 10 o'clock, during the coming summer.

The Offertory was donated to the Japan and Diocesan Mission.

B. S. SCULLY.

THE SEWING CLASS.

The Sewing Class for children meets every Saturday morning from 10.30 till 12 o'clock. Up till Christmas time the Sewing Class had a successful term uuder the direction of Miss Kingsmill, who then gave it up on leaving Toronto. Miss Gilmer was obliged to give up her class on account of sickness, and Miss A. McAuley found it necessary to leave soon after Christmas. Owing to the lack of teachers just then, the Class was not re-opened for some weeks, and it took some time to get it in good shape again before closing. Thanks are due to Mrs. Wood and Miss Taylor, for their help after Christmas, and to Miss Robilliard for her regular assistance. Mrs. Wood has also begun a Candidates Class for the G. F. S., among the smaller children. Prizes of books, pincushions and scissors, were given to the children on closing the class for their sewing and good behaviour. In February, Miss Kingsmill kindly sent $10 (the last of some "Poor Money" she had collected), to be given to those who were in need.

The sum of $20 was spent on flowers this Easter, and thanks are due to Miss Turquand and Miss White for kindly collecting the money.

THE MOTHERS' MEETING.

The Mothers during the past season have met on Friday evenings, holding in all twenty meetings. Their interest in the mission field has been deeply stirred by a visit to our church from the Rev. T. J. Marsh, accompanied by two bright Indian boys from the St. Peters school, Hay River. Time and labor has been most cheerfully given and good work done. The result being three large and three small quilts ; four of these were donated to the Hay River, and two to the Labrador mission. We are looking forward to an increased attendance for next winter's work and will welcome very cordially, all who can join this band of workers.

The season's work was commenced under the shadow of a heavy trial, the death of our beloved President, Mrs. Chas. Thompson, who had labored so long and faithfully with this Branch of the Woman's Auxiliary.

The close of the season of work has brought another sorrow in the passing away of our Diocesan President, Mrs. Williams.

At a special meeting of the Executive Committee of the Branch held on Friday, October 3rd, 1902, the following appointments were made for the remainder of the year :—to be President, Mrs. Blachford ; 1st Vice-President, Mrs. Hammond ; 2nd Vice-President, Mrs. Aubrey White.

At the annual meeting, held on March 24th, 1903, the following resolution was carried :

Moved by Mrs. S. G. Wood, seconded by Miss Pearson, "That in view of the very excellent work done by the officers of the Holy Trinity Branch of the Woman's Auxiliary, it is the wish of the members that they be re-elected for the coming year."

A large bale has been prepared since Christmas for the Hay River Mission, including among all kinds of useful garments, seven quilts, two of which were made at the "Mothers' Meetings" and contributed to the bale. The Branch worked for the Dorcas Society of the Parish until Christmas.

The meetings are held every Tuesday morning in the Bible class room, at ten o'clock, all women of the congregation are cordially welcome.

MEMORIAL TO LATE REV. HENRY SCADDING.

At the Annual Meeting of the Vestry held on Monday, March 31st, 1902, it was unanimously agreed that steps should be taken immediately to erect a Memorial to the late Rev. Henry Scadding, D.D., the first Rector of the Parish, and for more than half a century a member of this Congregation.

The following gentlemen were appointed a Committee to carry this object into effect :—C. J. Agar, T. W. Barber, H. C. Blachford, Thos. E. Champion, William Ince, J. L. Turquand, Aubrey White and S. G. Wood. At the Subsequent Meeting of the Committee, Mr. J. L. Turquand was appointed Treasurer, and Mr. Thomas E. Champion, Secretary.

A Circular was issued inviting contributions not only from present and former members of the Congregation, but any others who cared to avail themselves of the privilege. Without difficulty a sufficient amount was raised to erect a very handsome brass tablet, with carved oak frame, which was placed on the southern wall of the Church, opposite that of the Foundress, and was unveiled at the 55th Anniversary Service, on the evening of the 27th October, 1902

We are indebted to Mr. Mark Thrush for the accompanying "half-tone" of the Memorial, which will convey a very accurate idea to those contributors who have not had an opportunity of seeing the original.

The amount collected was $221.80, which was expended as follows :—

For Brass	$ 100 00
Carved Oak Frame	120 00

Towards the end of the summer it was possible to give out a few orders for coal to the amount of $167.65, but owing to the difficulty arising out of the strike of the coal miners it was not possible to make a contract for coal, and the money which had been deposited was returned to the subscribers.

BROTHERHOOD OF ST. ANDREW.

The work of the Brotherhood for the past year has not been as active as we would like to have it.

Through the efforts of Mr. Thomas and other members of the Local Assembly, a special effort is being made to become a more useful branch of the church's work.

The Chapter numbers about seven members who desire very earnestly the co-operation of other men of the congregation. The scope for work afforded by this Parish is so great that it is to be hoped that desirable men will come forward and put our Chapter on an active basis.

F. A. BLACHFORD,
Secretary.
